Reconciliation Grant Application Information
Reconciliation applications will be considered when submitted

General Information: Part of the vision of the Christian Church of Northern CA-NV is “*Living into our God-given reconciling, open and inclusive identity which challenges the sins of racism, exclusion and oppression.*” In keeping with that vision, the purpose of the Reconciliation Grant Program is to support congregations in doing that same work of building up a reconciling, open and inclusive identity, challenging the sins of racism, exclusion and oppression. Endeavors addressing root causes of racism are especially welcome. Recipients will be announced at the Regional Gathering in April. Grant recipients will be contacted for a “midway point update” in September of the same year. Reconciliation grants from the CCNC-N range from approximately \$500-\$1000, with the hope that the congregation will raise or seek additional funds elsewhere.

Congregations engaging in a reconciliation project that also meets criteria for being “missional” (defined in the application) will be eligible for additional funds.

Funding for reconciliation grants comes from the Reconciliation Offering received by congregations in the CCNC-N Region.

Funding Eligibility Criteria: All Christian Churches (DOC) within the CCNC-N Region are eligible to apply for reconciliation funding. **The project may be in conjunction with other churches or organizations, but the application must be initiated by the congregation or regional committee, or must have a very clear connection to the Christian Church of Northern California-Nevada. Funding will be disbursed as determined by the region’s Reconciliation Committee.**

Project Criteria: Priority will be given to projects that meet most of the following criteria:

1. Projects aimed at empowerment of economically challenged communities or the cultivation of relationships between different communities.
2. The marginalized people involved in the project are included in the decision making and planning of the project.
3. The project is likely to continue beyond the time span of the reconciliation grant. That is, the grant functions as seed money.
4. The congregation is a first-time applicant, or the program has not received prior Reconciliation funding.
5. The project receives a positive recommendation from a regional staff person.

Funding Limitations: Funding will **NOT** be considered for the following:

1. Projects that deliver goods or services that are already provided in the community (duplication of services).
2. Capital expenditures such as buildings, fixtures, building renovations or high-cost equipment.

Fund Requirements:

1. Give an estimated start and finish date for the project

2. Provide a project update or evaluation to the Reconciliation Committee within 6 months of receipt of the grant funds.
3. **Once an approval letter has been received please contact Jan Warren at 925-934-3134 or by email at jtxwarren@gmail.com to request a check be sent when you start incurring costs.**
4. Agree to share the story of your reconciliation project with another Disciples church within one year of funding.
